Contact your head of speciality for a pre-admission interview (the contact details of the heads of specialities are available on [the ED website](#)).

Your readmission file will be examined by the Doctoral School's administrators and your head of speciality, and then signed by the Director of the Doctoral School.

You will receive an email from the doctoral school informing you that your admission has been validated.

2. The re-enrolment

The Doctoral College's schooling (ced-centredinscription@univ-grenoble-alpes.fr) will email¹ you the re-enrolment procedure (payment of tuition fees, student card update, etc), which you can do online or in person.

- Deadline for submitting readmission applications to the PhD school: **October 30, 2026**.
- Re-enrolment will be open until **December 16, 2026**.
